### Why I Write Sketch Draft

- OVERALL IDEA: I have no idea why I write, I just do. It's something as natural as sleeping or eating to me. Maybe a comparison of why we do other things and why we write.
- Part 1:
  - I want to bring in something from my psychology class about sleeping that I found interesting in the first part of my essay.
    - Supposedly we don't need to sleep but do so to satisfy the motivation.
      - Many people disagree.
    - Writing is the same way
  - When we sleep, we wake up feeling refreshed and rejuvenated, or at least most nights. When sleep not complete, we get irritated.
    - Same when writing a paper or play or something.
- Part 2:
  - Personal Experience
    - Wrote a play one time that I thought was horrible
      - Explore process of writing it
      - Still felt satisfied when it was done, like I'd slept a full 8 hours.
- Part 3:
  - Wrap it up.
    - I don't really know where the urge comes from
  - Some sort of epic conclusion sentence because those are my favorite.
